

C.L.A.G GATHERING

WELCOME

Our next meeting is October 23rd @ 2pm
Nelson Reserve Stage, Gympie.
Details below.

C.L.A.G Gathering

Hello,

Our last meeting was sensational, everyone left one high. Thank you Carol who took notes and typed them up for us- it's deeply appreciated.

Next meeting Jan is hosting and running the mic (bravo) and Craig McManus is taking us through the step by step process of what one needs to do to become unincorporated. Answering your questions on the whys and how's. If you have any other education/ common law questions for Craig or other members of the community that can be answered at next or upcoming meetings, please come along.

Did you know that other areas of Australia have already started establishing their own local councils (in parallel with the corrupt entity's) We are looking to do that here....care to join us? If you'd like to be part of the education team, either sharing information, learning and helping to action things, then reply email to let Craig know.

We are looking for people who can do small presentations for our gathering, any topics covering Common Law, Preparedness/homesteading/ How To's/ Health and Wellness... if you feel it fits our space then we'd love to hear from you. Thank you to all the amazing people who have contributed thus far.

Reminders:

The Building Community through Prepping Group currently gathers on alternate Fridays, if you'd like to get the details on how to connect in with them, please email Maria joyandpeace@optusnet.com.au

An **Emergency Contact List** is now available for any member who wants a copy sent to them (to get the list- you must put yourself on the list). This tells you who's in your area when or if an emergency takes place, so you can connect and resource each other. For privacy reasons the list isn't public. To go on the list and have it sent to you please email joyandpeace@optusnet.com.au

Memories from our C.L.A.G Gathering's

Last time we had lots of seeds and produce on offer. This is NOT a barter system any longer, where something is left on the table in order to take something, or \$ is left for something taken. This is a Harvest. Bring your excess bounty and share it.

We are creating the consciousness of abundance.
