## C.L.A.G Gathering

Hello,

~ Due to works being undertaken by council at the Reserve stage, we cannot use that location and will be returning for this coming meeting to John and Bec's at the above address.

~ Rob is hosting this meeting, Thank you! Tomorrow we will be seeking the next host for the next two meetings.

~ This newsletter is ready for someone else to take over now. I have a huge task of packing a house and moving over the next month and need to prioritize that and my work. Please see Jacquie to take this on, even if it's for 3 months before

passing it onto another member. If no one steps forward, the newsletter will stop.

~ From the last meeting it was decided that once a team/ group forms out of a meeting, for some purpose (ie: People's council Team) they must meet and plan when/where their first meeting will be before leaving that day. This is to help groups to start and action their objectives and gain momentum.

~ From the last meeting, Greg (from Noosa) had been asked if he could share some resource videos pertaining to the Peoples Council and information he'd sent. Below is what he sent us.

**Triple TAP Interviews #23 Spiro Kalothos:** <https://youtu.be/I5htDa8zn14>

**Latest interview with Mayor of Frankston Peoples council:** <https://youtu.be/KBrnhZ39WU8>

**LAW & Legislation - Understanding the basics:** <https://youtu.be/EREbEdJVgv8>

~ Does the QLD Government Hydro Project proposal affect you? With many properties affected, you may want to know. <https://www.powerlink.com.au/projects/borumba-pumped-hydro-project-transmission-connections>

### **Reminders:**

***The Building Community through Prepping Group*** is currently on a Christmas break. Please email Maria the organiser at [joyandpeace@optusnet.com.au](mailto:joyandpeace@optusnet.com.au) by the end of year, if you'd like to be involved in the New Year. Maria is looking for seriously active members to continue. Where more than prepping is discussed.... a friendly atmosphere, lovely friendships and talking about what's on your minds. New members are welcome.

An **Emergency Contact List** is now available for members (to get the list- you must put yourself on the list). This tells you who's in your area when or if an emergency takes place, so you can connect and resource each other. For privacy reasons the list isn't public and only people who are known to the community will be added on the list. To go on the list and have it sent to you please email [joyandpeace@optusnet.com.au](mailto:joyandpeace@optusnet.com.au)
