C.L.A.G Gathering

Hello C.L.A.G community,

~ I hope that everyone has had an amazing two weeks.

~ We have a full agenda on Sunday so if you are speaking please be mindful of the time allocated for you so the gathering does not run overtime.

~ Marcus from Woombye will be visiting us on Sunday at our CLAG Gathering to introduce himself and what he has been doing to educate and guide people in these uncertain financial times and educating those interested about the blockchain, cryptocurrency and the new quantum financial system (QFS) and how we can use these to our advantage and how blockchain can protect our digital identities, privacy personal property and sovereignty. Please join us even though there will be a summary this will not be as detailed as the gathering.

~ Jacquie will be hosting the next two gatherings. Thank you Jacquie.

~ Please keep in mind that we are community and we support our community by being involved so please keep in mind that we need someone to host the gathering after Jacquie thank you.

~ If you would like to put your name down to host a gathering please come see either myself (Beck) or Jacquie.

~ We need a member to **volunteer to take notes** for this coming gathering and if possible type them out into a document and then forward to me (Beck). Thank you.
